NUAGA:

NUAGA began in 1998 with the goal of providing quality gymnastics instruction in a safe, exciting, active environment. That philosophy still holds true today.

Class Descriptions

- **Preschool** classes are designed for children who are kindergarten age and younger. Children learn basic gymnastics skills and terminology in an age appropriate manner. Children will experience vault, bars, beam, floor and trampoline along with fun coordination building games.
- **Girls/ Boys Progressive** classes are designed for school age girls and boys. From beginner to advanced.
- **Open Gym** This is an opportunity to experience the gym on your own. A coach will be available to supervise and answer questions.
